To be crisp :

MS gives:

- Zero (0) dollars for Shell (DOS4)
-
- \$5k flat fee for Back up and restore
- 50% upgrade language
- Language excluding OEM units that Tandon must insure the purchasing OEM has a per system DOS license.

Tandon gives:

- Per processor (system) license
- Includes the 486

if this is it Great !

Mike called today and said to leave the 486 in!
I will send him the Amendment for Bob's signature tomorrow.
